The Wink Fit Difference: Expect Comfort

Each Wink garment is designed to fit comfortably, eliminating the distraction and frustration of tugging, pulling and constant adjustment. Many of our collections include sizes up to 5XL, and some include a unique 1X style. We're proud to offer flattering, effortless-to-wear garments in a wide range of shapes and sizes.

MODERN FIT:

Wink's modern fit skims the body for a fit that's not too tight and not too loose.

CLASSIC FIT:

Classic fit is comfortable and stylish. A relaxed fit allows for ease of movement.

UNISEX FIT:

Unisex fit is relaxed and roomy to accommodate a wide variety of shapes.

We have updated our sizing charts to more accurately reflect the body standards we build our product to fit, removing ambiguous ranges. The body standards we build product for have not changed, nor has the product. The information update will help to better navigate the Carhartt sizing systems and products. The additional body measurements given will set expectations for all consumers on how the bodies we designed the product for might vary from their own, including those wanting or needing to purchase across gender.

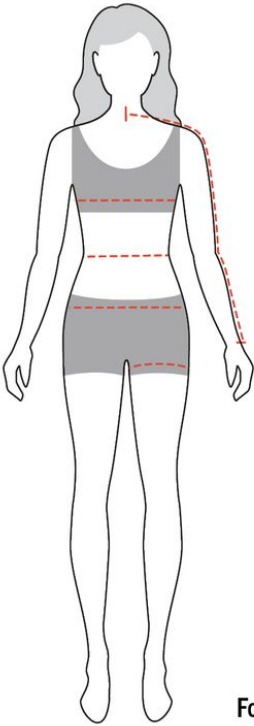

WOMEN'S BODY MEASUREMENTS

Our Women's Alpha-sized, Regular Length products are built for a body that measures:

Numeric equivalent	XS		S		M		L		XL		2XL		3XL		4XL		5XL	
	0	2	4	6	8	10	12	14	16	18	20	22	24	26	28	30	32	34

Natural Waist	24	25	26	28	29	31	32	35	36	39	40	43	44	47	48	51	52	56
Low Hip	34	35	36	38	39	41	42	45	46	49	50	53	54	57	58	61	62	66

*Measurements in inches

HOW TO MEASURE

Bust: Measure the fullest part of your bust, keeping the measuring tape parallel to the floor.

Natural Waist: Bend side to side and find the natural bend in your body; this is your natural waist. **Note:** It may not be the smallest point.

Hips: Measure the fullest part of your hips, approximately 8" below the natural waist.

For best results, measure over your undergarments.

HOW TO MEASURE

Chest: Measure just under arms and across shoulder blades holding the tape firm and level. If your chest falls between sizes, order the next size up.

Natural Waist: Bend side to side and find the natural bend in your body; this is your natural waist. Note: It may not be the smallest point.

Hip/Seat: Measure the fullest point between your natural waist and crotch.

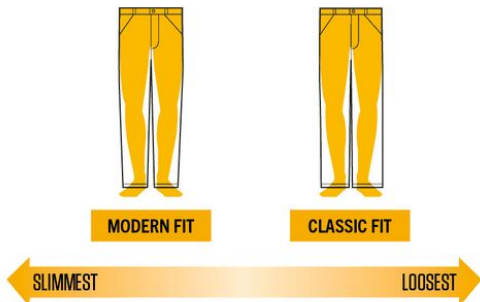

For best results, measure over your undergarments.
