TOC

A woman in equestrian attire is riding a brown horse. She is wearing a dark helmet, a dark jacket over a white shirt, and dark gloves. The horse is wearing a dark halter with the Ariat logo. The background is a blurred outdoor setting with trees and a fence.

Ariat's Moisture Movement Technology™ pulls moisture to the outside of the garment so it evaporates quickly, keeping you dry and comfortable.

ORGANIC COTTON

Organic cotton is grown using methods and materials that have a low impact on the environment. Organic production systems replenish and maintain soil fertility, reduce the use of toxic and persistent pesticides and fertilizers, and build biologically diverse agriculture.

PERFORMANCE STRETCH

TOUGHMAX™

Engineered for exceptional toughness, the flexible stretch canvas is the ultimate in comfort and durability.

WIND AND WATER RESISTANT

Wind and water-resistant garments employ a thin technological coating on lightweight surface fabric to block wind and protect from light rain.

WIND RESISTANT

The lightweight surface fabric helps block wind and prevent cold air from coming through.

WRINKLE RESISTANT

Fabric is engineered to look crisp and clean for longer, so you can iron less and still look your best.

CAPS

Ariat® caps are stylish and functional — incorporating attractive detailing and performance features such as cooling fabrication, UV protection, moisture-wicking quick dry, and a crease-resistant finish.

GLOVE MEASUREMENT GUIDE

- Open your hand and place a tape measure around your base knuckles (do not include the thumb). Now make a loose fist and measure the circumference.
- If you do not have a tape measure at your disposal, you can use a thread to take the measurement and then determine the length of the thread using a ruler.

DOG SIZE CHART

Please make sure to measure your pet for the best possible fit.
If your pet measures between two sizes, we advise ordering the larger of the two.
