LEATHERTEK™

Ariat LeatherTEK™ pairs premium leather outsoles optimal for riding, with innovative design features that provide superior comfort and durability. A concealed EVA pad cushions the forefoot upon impact for lasting comfort, while a flexible TPU plate reinforces the leather outsole, dissipating pressure from rocky, uneven surfaces.

CIRCUIT

The Circuit collection blends fast designs with traditional leather outsoles and Ariat's comfort and stability technology systems. With this winning combination, Western Performance never looked so good.
